

*Outside Wind Quintet* Christmas Concert to Benefit PORT  
St. Andrew's Episcopal Church  
45 Main St., Newport News, VA  
December 18, 4:00 p.m., followed by reception

Everyone is invited to a concert of Christmas music by The Outside Wind Quintet to benefit PORT Emergency Winter Shelter of Hampton Roads. The concert on December 18 will feature recent arrangements of traditional Christmas carols by Valerie Coleman and Jeff Scott of the Imani Winds. Donations will be accepted and all proceeds will benefit PORT. A reception will follow the concert in St. Andrew's parish hall.

The Outside Wind Quintet started when five military musicians got together to play quintets "on the outside." Its members come from a variety of backgrounds all over the United States. The group studies and performs music of the 20<sup>th</sup> and 21<sup>st</sup> centuries with an emphasis of works by living composers.
